NMHED
Online CIP Code Application Process Review

May 21st, 2019

Key Points

- Emailed CIP Code applications will no longer be accepted.
- All CIP code requests must be submitted online through the Apply site.
- NHMHED Policy Division will conduct review of all CIP Requests.
- NMHED Planning and Research (P&R) Division will remain point of contact for eDEAR and files submission. P&R will add approved CIP codes to the database.
- One online application must be submitted per each course.
- One online application must be submitted per each program, multiple program levels can be included for that program.
- Login or account issues should be directed to Lee Ann Lopez via email at leeann.lopez2@state.nm.us or by phone at (505) 476-8407.
